

MINI CATAPULTS

Step One:

YOU WILL NEED:

- **7 paddlepop sticks**
- **1 wooden spoon**
- **5 rubber bands**

Step Two:

Tie the paddlepop sticks together using rubber bands at each end.

Step Three:

Tie the wooden spoon and remaining paddlepop stick together with a rubber band as shown

Step Four:

**Separate the spoon and stick using the bigger stack.
Then tie them together using the remaining 2
rubber bands in a cross.**

Step Five:

Now you've got a catapult! Place the pom-pom into the spoon, push the spoon down and then let it go!

Take your catapult outside and practice!
